

New for 2018

There is so much to do and see in the Region of Le Marche. We have and continue to visit many beautiful areas, hill top towns, blue flag beaches, seaside resorts and attended many functions, festas and events. We have a detailed knowledge of which places to visit, 'must see' attractions and are always available to make suggestions and even ideas on where to park, where to eat and where to shop. This year we have planned some 'at home' events for guests to participate and enjoy.

History of il sorger del sole and local area duration 1 hour

Greg has researched the history of il sorger del sole and is fascinating for any guests not only interested in the history of the house and land but also interested in the local culture and "Mezzadria" (sharecropping). Short excursion to show where the old St Georges' church once stood, remains of old homesteads, former roads and an opportunity to see copies of old documents and maps. Enjoy a glass of local wine or tea.

Super sushi evening

Enjoy an evening with your hosts Greg and Sandra at our new "Gathering table". The sushi is already pre-prepared, packaged and bought in by a local supplier of high quality frozen food. It's definitely an 'Al fresco gathering' where the emphasis of the evening is great food, great company and a great time. We will light a few candles and with the starlit sky above what more can we offer.

Minestrone madness evening

Our guests really enjoy Sandra's homemade thick minestrone soup recipe and our italian guests have told her many times that it's far better than the soup their Nonna made. This is a great opportunity for guests to shop locally for the ingredients and prepare under the watchful eye of Sandra. Here she will pass on her 'secrets' of how to make this fantastic soup. Afterwards sit around the farmhouse kitchen table with your hosts Greg and Sandra to enjoy this thick filling soup, with crusty bread & local wine.

English afternoon Tea always at 4.00 pm

It's a well known fact that English people can only really make great tea! This year we have introduced afternoon tea for guests. Our guests can enjoy freshly brewed English tea, delicate traditional sandwiches and a selection of pastries or cakes and biscuits.
